ORDER

This matter is before the court on the government's motion for extension of time to provide discovery (Doc. [40](#)), and the Objection (Doc. [41](#)) filed by defendant Antonio Frausto. The court finds that the government has shown good cause for the extension requested.

IT IS ORDERED:

1. The motion for extension of time (Doc. [40](#)) is granted, and defendant's Objection (Doc. [41](#)) is overruled. The United States is given until and including **February 13, 2009** to provide discovery in accordance with paragraph 2 of the Progression Order (Doc. [14](#)).
2. The deadline for filing pretrial motions is extended to **February 27, 2009** as to all defendants.
3. In accordance with 18 U.S.C. § 3161(h)(8)(A), the court finds that the ends of justice will be served by granting this motion and outweigh the interests of the public and the defendant in a speedy trial. Any additional time arising as a result of the granting of this motion, that is, the time between **February 6, 2009 and February 13, 2009**, shall be deemed excludable time in any computation of time under the requirement of the Speedy Trial Act because counsel require additional time to adequately prepare the case, taking into consideration due diligence of counsel and the novelty and complexity of this case. The failure to grant additional time might result in a miscarriage of justice. 18 U.S.C. § 3161(h)(8)(A) & (B)(iv).

DATED February 9, 2009.
